

ACR45LMC

31.5" x 19.5" x 22.75" (H x W x D)

MOMCUBE® breast milk refrigerator for built-in or freestanding use under ADA compliant counters

Highlights:

MOMCUBE® refrigerator specially designed and featured for the safe and secure storage of breast milk

Less than 32" high to allow installation under lower ADA compliant counters

User-friendly front control panel keeps the thermostat and alarm in reach without having to open the door

Product Features:

MOMCUBE® Breast Milk Refrigerator	Specially designed all-refrigerator for the storage of human milk
ADA compliant	Sized just under 32" high to allow installation under lower ADA compliant counters
Built-in capable	Front-breathing system allows the unit to be installed under cabinets with minimum clearance
Slim 20" width	Full 2.65 cu.ft. capacity inside conveniently slim footprint
Factory installed lock	Keyed lock conveniently located towards the top of the door for added security (2 keys included)
External temperature readout	Includes continuous display of the current interior and high/low temperature, and can be switched from Celsius to Fahrenheit at the touch of a button
Digital thermostat	Digital microprocessor for easy and precise temperature management, with all controls externally located for added convenience
High/low temperature alarm	Audible alarm sounds if the interior temperature rises or falls out of set range
CDC-compliant temperature	Preset temperature remains within recommended range for mother's milk storage
