

# ADFD243PNR

31.88" x 23.38" x 22.5" (H x W x D)

24 in. wide ADA compliant 2-drawer frost-free panel-ready freezer for indoor or outdoor residential or commercial use

**Highlights:**

- Create the perfect look with panel-ready drawer fronts that can accept custom overlay panels
- 32" height allows easy installation under lower ADA compliant counters
- True frost-free operation saves you maintenance by preventing icy buildup

**Product Features:**

|                           |                                                                                                                                                                   |
|---------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2-Drawer All-Freezer      | 24" wide 3.7 cu.ft. freezer with two gliding drawers                                                                                                              |
| Panel-ready drawer fronts | Drawers accept overlay panels (size: 23.43" x 14.1" at 3/4" thick) to let you seamlessly blend the refrigerator into cabinetry design                             |
| ADA compliant design      | Sized just under 32" high to allow installation under lower ADA compliant counters                                                                                |
| Stainless steel finish    | Fully finished drawer fronts also allows you to choose a traditional stainless steel front if not installing overlay panels                                       |
| Built-in capable          | Front-breathing design allows you to make the best use of space by installing your appliance under the counter and flush with other cabinets in 24" wide openings |
| Indoor/Outdoor compatible | Constructed and approved for outdoor installation (as well as use indoors) with a fully sealed cooling system and weatherproof exterior                           |
| Stainless steel drawers   | Drawer interiors and exteriors are fully constructed from 304 grade stainless steel for weatherproof durability and elegant style                                 |
| Professional handles      | Sleek stainless steel handles add an elegant touch to any setting                                                                                                 |
| Frost-free operation      | No-frost operation for minimum user maintenance                                                                                                                   |

ADFD243PNR Specifications:

| Overview                   |                       |
|----------------------------|-----------------------|
| Nominal Height             | 32.0" (81 cm)         |
| Height of Cabinet          | 31.88" (81 cm)        |
