

CR4SS24

2.56" x 23.5" x 20" (H x W x D)

24" wide 208-240V electric cooktop with four coil elements and stainless steel finish

- Highlights:**
- Classic coil elements offer easy use and lasting durability
 - 24" wide for smaller kitchen spaces
 - Stainless steel finish brings a professional look to a classic cooktop design

Product Features:

Stainless steel finish	Surface is made from stainless steel for an attractive and easy to clean look
2 1800W elements	8" elements located in the rear to accommodate large pots and pans
2 1200W elements	Front elements features a 6" diameter to handle most standard cooking applications
Upfront controls	Easily accessible controls allow you to adjust your cooking without reaching over burners
Black matte finish on knobs	Attractive style offers a modern complement to the brushed stainless steel cooktop finish
Removable chrome drip bowls	Drip pans help to contain spills and can be removed for easy cleaning
ADA compliant design	Upfront controls and easy-to-operate knobs offer easier accessibility
Push-to-turn controls	Prevents accidents by requiring a small amount of force to turn on cooktop heat
Indicator lights	Individual lights for each burner allow you to easily see which zone is in use for added safety when cooking
