

# REX2051BRT

36.5" x 19.75" x 24.25" (H x W x D)

20" wide slide-in look smooth-top electric range in black with oven window; replaces REX206B/RT

**Highlights:**

Unique 20" fit offers full cooking convenience for smaller kitchen spaces

Smooth ceramic cooktop for safer and cleaner cooking

Large oven window with light makes it easy to monitor your cooking without opening the door

**Product Features:**

|                           |                                                                                                                                      |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| 20" width                 | Perfectly sized for apartments and smaller kitchens                                                                                  |
| Smooth ceramic glass top  | Ceramic surface for easier cleaning and safer cooking                                                                                |
| Oven window with light    | Easier monitoring of your cooking with an oven window and on/off light                                                               |
| Waist-high broiler        | Broiler is located inside the oven, making it easier to use                                                                          |
| Removable backguard       | Unit ships with low stainless steel backguard but can be easily converted to a traditional slide-in style for a more integrated look |
| Upfront controls          | Control panel is conveniently located to prevent users from reaching over hot cooktop surface for adjustments                        |
| Four cooking zones        | Surface features four 6 1/2" 1200W elements                                                                                          |
| Push-to-turn burner knobs | Burner knobs require a small amount of force to turn on for added protection against accidents; oven knob is not push-to-turn        |
| Porcelain construction    | Oven interior features high quality porcelain construction for long-lasting durability                                               |
