- Stainless steel doors with towel bar handles bring a professional look to the kitchen

**Product Features:**

|                                |                                                                                                                                 |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Made in the USA                | Designed and constructed domestically                                                                                           |
| Slim 24 inch width             | Apartment-sized width offers all the functionality you need in a smaller footprint                                              |
| 24 inch depth                  | Shallower fit is ideal for L-shaped and galley kitchens                                                                         |
| Four sealed burners            | Easy cleanup on boil-overs and accidental spills                                                                                |
| High output burner             | Right front burner features 12,000 BTU output for powerful cooking                                                              |
| Low output simmer burner       | Rear left burner reaches a maximum of 5000 BTUs, ideal for simmering sensitive items or keeping dishes warm without overheating |
| Stainless steel finish         | Doors and backguard are constructed from brushed stainless steel for modern luxury built to last                                |
| Professional towel bar handles | Curved handles in brushed stainless steel offer an easier grip in attractive style                                              |
| Designed for natural gas       | Set for use with natural gas connection. To convert for propane use, add Kit LP S2                                              |
